

A person is riding a bicycle on a paved road. In the background, there are parked cars and some trees. The image is in a blue-tinted, slightly faded style.

PEDALING INTO THE FUTURE: CORRIDOR SELECTION CRITERIA

- ✓ **Existence or non-existence of alternative corridors**
- ✓ **Input from UDOT Region offices, local governments, and the public**
- ✓ **Opportunities to improve safety**
- ✓ **"Piggyback" potential
(coincides with other road improvement projects)**
- ✓ **Potential to reduce automobile trips**
- ✓ **Regional or inter-regional connectivity**
- ✓ **Tourism opportunities**
- ✓ **Travel distance between population nodes**
- ✓ **User potential**
